Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Thursday 11 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Very cold start to the day but dry and bright.

Today:
It will be a dry and bright start to the day with crisp winter sunshine. A bit more cloud around in the far west by late afternoon and a noticeable wind chill due to the strengthening winds. Maximum temperature 3 deg C (37 deg F).

Tonight:
Some clear spells overnight but more in the way of cloud in the west, strengthening winds around the coast later too, possibly gales in the far west. Minimum temperature -3 deg C (27 deg F).

Friday:
A cloudy day in the west but mainly dry, accompanied by strong winds and coastal gales. Drier and brighter in the east. Maximum temperature 4 deg C (39 deg F).

Outlook for Saturday to Monday:
A bright start on Saturday but becoming cloudier with some patchy rain or snow likely, more definite rain and sleet likely on Sunday and Monday with gales around the coasts.
